

Dr. Robert Isbrandt

Nice to meet you! I am a Chiropractor born and raised in Buffalo, where I live with my wife and our two kids. I've built my practice around helping people feel and move better, with experience treating a wide variety of conditions ranging from everyday aches and injuries to more complex musculoskeletal issues. Outside the office, I enjoy spending time golfing, following any and all sports (Go Bills! Go Sabres!), and have a passion for the weather. My goal is to provide personalized, effective care that helps each patient get back to doing what they love. Below you can find links to our website and various social media platforms.

Office:

Lake Shore Chiropractic Center; 5449 Southwestern Blvd, Hamburg, NY 14075
